Is Your Family Up to the Challenge?

GLENDALE, Ariz. – Families, get on your thinking caps and head over to Foothills Branch Library, 19055 N. 57th Ave., on Saturday afternoons in September, October and November. The “Family Challenge” will be taking place during the hours of 1-5 p.m. Each family will have one hour to solve specially designed puzzles. Each month, the family that solves the most puzzles and receives the highest score will be declared the winner – and receive some nifty prizes.

The theme for the Sept. 2, 9, 16, 23 and 30 sessions is math adventure.

On Oct. 7, 14, 21 and 28, families will focus on code-breaking, working with encryptions.

A literary quest will be the focus of the challenge on Nov. 4, 11, 18 and 25.

Reservations are not required; call 623-930-3837 for more information about these free programs.
